

PARENTAL INFORMED CONSENT AND HOLD HARMLESS / RELEASE AGREEMENT

I understand that participation in the Project COPE Course owned and operated through the Mountaineer Area Council, BSA, involves a certain degree of risk that could result in injury or death. In consideration of the benefits to be derived and after carefully considering the risk involved and in view of the fact that the Boy Scouts of America is an organization in which membership is voluntary, and having full confidence that precautions will be taken to ensure the safety and well-being of my (son/daughter), I have carefully considered the risk involved and have given _____ (name of son/daughter) my consent to participate in the Project COPE Course, and waive all claims I may have against the Boy Scouts of America, Mountaineer Area Council, activity coordinator(s), all employees, volunteers, or sponsors associated with the Project COPE Course.

In case of emergency, I understand every effort will be made to contact me. In the event I cannot be reached, I hereby give my permission to the physician selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for my child.
